**Gives an illustrated description of the rules of Mah-Jong  
by the British Mah-Jong Association (BMJA)**

**and a gentle introduction to the game  
for those who have not met it before**

**Mah-Jong** is a charming, late nineteenth century, Chinese game played with engraved tiles. Although the rules are quite intricate, the rudiments of play are surprisingly easy to master. It's a bit like rummy.

**Mah-Jong!**

Here's a winning hand

The web site also gives lots of other information about Mah-Jong.

What's online - Where to find players - etc.
